

## **Odjek moje pustinje**

U pustinji sam pronašla mnoge izvore:

---

---

---

---

Oaza koja me se najviše dojmila

---

---

---

---

Ove će riječi/rečenicu zapisati i nositi u svom srcu:

---

---

---

---

More, vjetar, drveće, oblaci, ptice, sunce ..... govore mi o Bogu:

---

---

---

---

---

U pjesmi cvrčaka otkrila/o sam ...

---

---

---

Pronašo/la sam tekstove za ispit savjesti, oni su mi pomogli:

---

---

---

---

---

U molitvi sabranosti ovoga dana odlucila/o sam,otkrila sam ....

---

---

---

---

---

Božju volju u svojem životu prepoznajem .....

---

---

---

---

Tišina pustinje me je poučila/u njoj sam doživjela/pronašla ...

---

---

---

---

---

Moj odgovor-jeka moje duše: Napiši svoju molitvu predanja, zahvale ili što želiš:
